The Clover name and logo are owned by Clover Network, Inc. a wholly owned subsidiary of First Data corporation, and are registered or used in the U.S. and many foreign countries.

INTEGRATED BOOKKEEPING

Simplify your accounting by effortlessly transferring sales information to QuickBooks®.

PAPERLESS RECEIPTS

Email or text the customer's receipt. It's easy to collect shoppers' emails and/or mobile numbers to start building your marketing list.

FAST TRANSACTIONS

Improve transaction speeds and simplify the checkout process with compatible barcode scanners and a convenient customer-facing display.

CREATE A REWARDS PROGRAM

Record customer preferences and buying habits in the Customer Database to determine the most profitable rewards. And, grow your business with loyalty, marketing, social media, and analytics tools.

MANAGE EMPLOYEES

Assign employee roles and permissions—and manage time by customizing employee shifts with clock-in/out restrictions.

LINE-BUSTING

Cut down lines by enabling your customers to purchase merchandise on the sales floor or curbside using Clover Flex.
